

Layout details (technical requirements)

Two boards are at your disposal for the presentation of your project.

Board size: 84 cm (width) x 205 cm (height)

Please use the white surfaces: 84 cm (width) x 140 cm (height) without inserting a frame.

Please keep to side edges of 3 cm. As the font for your presentation, please use **ARIAL Regular & Bold** and for titles **ARIAL Regular & Bold, 100pt**.

In the prepared lines of the bottom grey area, please add your first name and surname, the title of the project, your teacher and the college/university. We request that you use the **ARIAL Regular, 30pt** font for this.

You can find the layout prepared for this here: <http://www.bauhaus-solar-award.de/> under **Download Vorlagen**.

Please send your finished data in the prepared layout **by mail and post (CD)**, without encryption to:
